The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. **The Association's contribution will be distributed by the Indiana Angus Association.** A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year. Premium participation is based on previous year number of head shown.

### ANGUS PREMIUM PARTICIPATION SCHEDULE

76-100 head	\$425 lump sum
101-150 head	\$500 lump sum
151-200 head	\$600 lump sum
201 or more head	\$700 lump sum
(Cow, cow/calf and bull classes are counted)	

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the association's portion of premiums. The association does not pay on championship, or any group classes (ie. get-of-sire, junior get-of-sire or breeder six-head classes.)

**Exhibitors must have the original registration certificate on each animal available for inspection at the show. Electronically stored registration certificates are NOT accepted - only the original certificates issued by the American Angus Association.** Any animal upon check-in which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and re-checked at the show.

Any female shown with a calf at side, the calf must be the cow's most recent natural calf and the calf must be registered, by show date and have the original registration certificate at check-in. Only one person at a time shall lead animals into the show ring.

*Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800-811. These rules can be found at [www.angus.org](http://www.angus.org).*

Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. The exhibition of cattle displaying false hair will not be allowed, with the exception of false tail switches. At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animals exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make up areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

## SECTION SM - SIMMENTAL

Exhibitors must make entry in Class 1 for all females they wish to enter and Class 16 for all bull entries. The Dept.-Section-Class number must be listed for each female or bull you wish to enter. For example, list the female's Dept.-Section-Class number 5 times if you are entering 5 females. Be sure to enter group classes by listing that corresponding class number. After the cattle have checked into the Fair, they will be listed by age, youngest first, and then divided into similar size Groups. The groups will be divided by taking the total number of animals (females and bulls) entered, divided by 4 and then add three classes. The individual show will start with the youngest female class. Individuals will enter the ring with the youngest first. The 2 classes of cow/calf are to show for cow/calf champion (not to be included in the senior champion class or grand champion). Cow can be shown in-group classes without calf. Cow must show evidence of naturally raising the calf on show day. Group classes will show last.

All animals must be at least 75% Simmental to be eligible to show. These divisions and the distribution of the information to the exhibitors and spectators will be the responsibility of the Indiana Simmental Association. Only 2 premiums are paid in individual classes and 1 in the group classes for each exhibitor.
